Brickvention Online Designer Instructions 2021

Hailing from Adelaide South Australia, Jason's engineering mind has gifted him a spectacular ability to work with the humble LEGO brick. Featured in Brothers Brick, Blocks Magazine and LEGO House, Jason's models have reached fans all over the world. His famous Honeycomb sculpture was a sight to see in Denmark in 2017 and he is Designer 01 of Brickvention Design.

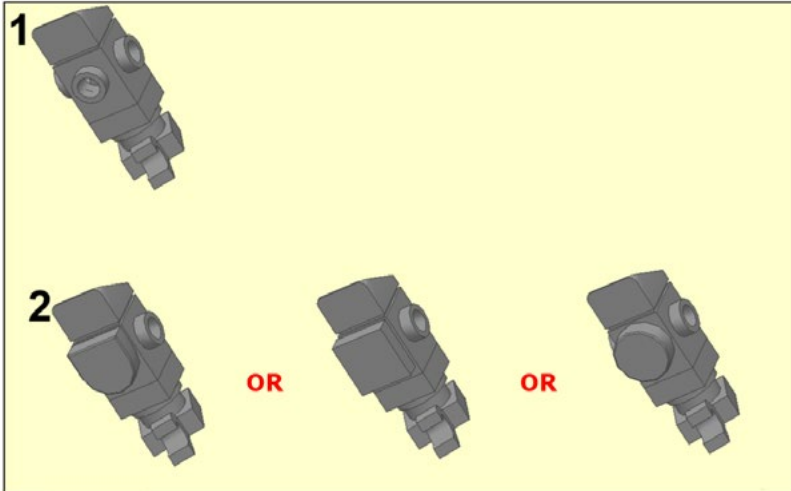

In collaboration with Brickvention Online, Jason has created Birdstructions for all participants of Brickvention Online. Originally created as a the Helmeted Honeyeater of Victoria, Jason then created several alternate options for builders to choose from. Which bird will you build?
